*Please send via email a digital photo of yourself (headshot or action photo) for possible use in printed and/or website media, along with a relatively current resume or vitae. As we build this mentoring ministry it is important to be able to share with other potential mentors and donors something about the pool of Christians who are coming along side us as mentors to our young artists and athletes. I do hope you will be willing to share with us in this way. I may contact you as the year goes along to solicit comments about your experience with your Motvation Ministry Scholar. THANK YOU!*

I, the undersigned, hereby consent that the photograph(s) of myself and any materials submitted to Motvation Ministry in association with my commitment as a Motvation Scholar Mentor may be used by Motvation Ministry for editorial, marketing, or advertising purposes, either in printed or electronic form without any restrictions, within the stated purpose of the Motvation Ministry's Mission statement and Statement of Core Values. Such release is given solely for the not-for-profit purpose of Motvation Ministry. Said photograph and materials may not be reproduced, sold, or used for any profit-making purposes.

Signature \_\_\_\_\_

*Motvation Ministry is a 501 c (3) nonprofit ministry located in Kernersville, NC. Motvation Ministry seeks to promote positive life choices by encouraging young Christian artists and athletes through the awarding of college scholarships and connecting recipients with positive Christina role-model mentors during their college experience.*
